IH | INTERMEDIATE HIGH PROFICIENCY

Writers at the Intermediate High sublevel are able to meet all practical writing needs of the Intermediate level, including routine transactional tasks and social situations that require an exchange of basic information related to work, school, recreation, individual interests, and areas of competence. The breadth of their vocabulary and language control is sufficient to ensure successful communication. Additionally, these writers can demonstrate an Advanced-level ability to write paragraph-length compositions and simple summaries related to work and/or school experiences but cannot do this all of the time. They can narrate and describe in different time frames when writing about everyday events and situations, but their writing exhibits some challenges in structure or vocabulary use when they do so.
